UDL in 15 Minutes

2020 15 Minute Discussion Guide

Choose 3-5 questions depending on the size of the group and the depth of the question.

Podcast episode: _____

1. What were your big take-aways after listening to the podcast?
2. After hearing the take-aways of others, what did you add to yours?
3. Identify one idea or thought shared by the podcast guest and build on it. How would you alter the idea to fit within your face-to-face or online learning environment? How would you use the UDL guidelines to design that alteration?
4. What ideas shared by the guest align with your own? Discuss in what ways those ideas came to life in a similar way and what ways those ideas came to life in a different way
5. Loui provides some feedback to the guest about how their lesson relates to UDL. What other feedback would you provide?
6. Compare and contrast two of the podcasts looking for how UDL was interpreted across the two learning environments.
7. Compare and contract how UDL is applied in face-to-face (e.g., episodes 2 - 36) versus online (e.g., episodes 37 – 45).
8. What would you like to have clarified? What did you hear that was counter to your understanding of UDL? Send these thoughts to Loui via www.theudlapproach.com and she'll get back with you!
9. What additional questions do you have for the podcast guest? Send them to Loui via www.theudlapproach.com/contact and she'll get a response to you!
